

NEW PLASTICS ECONOMY GLOBAL COMMITMENT

WHO HAS SIGNED (latest update - 18/02/2020)

This document provides an overview of the 450+ New Plastics Economy Global Commitment signatories by category (e.g. packaged goods companies, raw material producers, recyclers, governments, etc.).

The full details on the individual commitments made by the Global Commitment business and government signatories as of June 2019 has been published in the New Plastics Economy Global Commitment June 2019 Report, which is available to download from our [website](#). In addition, each year, progress towards realising the commitments will be published every year up to 2025. You can see the first Global Commitment progress report [here](#).

The joining dates are in the MM/YY format.
